APPENDIX.

APPENDIX.—(A.)

Report of the Special Missionary Committee.

The Committee, to whom was referred the subject of our future Missionary operations, and of the practicability of at once engaging in this great work, beg leave to report, as follows:

That missions are of God is a question with but one side with us, and hence, a duty devolving upon us, which we cannot, dare not evade. And if a duty, then it is practicable, and consequently we should at once engage in it with all our hearts, minds, souls and hands.

We therefore recommend—

First. That Delegates be called upon to say about what amount they think can be made up in their respective localities for this noble and God-like enterprise.

Second. That this Association appoint an Executive Committee of five to be located at a central point, say Brooksville, to whom shall be entrusted the whole matter of our Missionary operations during the next Associational year, with instructions, if they deem it practicable, to divide the Association into three Districts, and appoint an able, judicious, experienced and sound doctrinal Minister to devote so much time in his respective district as the means, or assurance of means may justify.

We also recommend that the delegates be requested to bring the claims of missions to bear upon the minds of all persons who can be reached in their respective localities, and that the several Ministers be requested also to bring this subject prominently before their respective congregations.

And lastly. That the brethren and sisters of the several Churches be requested to form in their several Churches Missionary Soci-

eties, auxiliary to the "Alachua Baptist Association Missionary Society," formed during the present session of this body.

All of which is respectfully submitted,

SAM. C. CRAFT, Chm'n.

(B.)

Your committee on Finance ask leave to report that we find sent up from the Churches for Associational purposes, \$64 75.

Received from former clerk on "Timber Cutter's Bank," 5 00.

All of which is respectfully submitted,

W. T. CARLTON, Chm'n.

(C.)

Your Committee on Letters: beg leave to report: The letter from New Hope Church request the Association to suggest a plan, by which uniformity of action may be obtained in all our Churches, with reference to the management of their colored membership.

Your Committee recommend that the same course of discipline be adopted as practiced heretofore; and no change of policy be adopted by the Churches in reference to them until future developments shall suggest the necessity of such change. Several applications are made for the next meeting of the Association. We submit that matter to the decision of the body.

The Clerk of the former session asks advice with reference to printing the minutes of the last session. We advise that no minutes of that session be printed.

All of which is respectfully submitted,

J. H. BREAKER, Chm'n.
