REPORT OF THE EXECUTIVE COMMITTEE WEKIWA BAPTIST ASSOCIATION

The Executive Committee is charged by the Association with the conduct of all business of the Association between the annual meetings. It is composed of all pastors who are members of churches cooperating with the Florida Baptist Convention, one other member from each church and the elected heads of the four departments of our work.

The Committee has met each month except August during the associtional year. The business has been conducted according to the directions of the Association. The various organizations have done their work faith-

fully and have made monthly reports to the Committee.

Attention is called to the following accomplishments in the Association. 1. The organization of three churches is one of the most significant parts of the work. They are Grove Villa, Wekiwa Springs and Rock

Two missions have been begun: Florida Shores sponsored by the Holden Heights Church and Como Chapel sponsored by the First Baptist Church of Orlando. These are now operating in the Association

3. One event that may well prove to be the most historically significant for the Baptist cause in Central Florida was the calling of a missions pastor by the First Baptist Church of Orlando whose work will be the establishment of missions. This great church has thus incurred the gratitude of all of us in setting out to do a job which her strength and position equips her to do beyond the ability of our other churches at

4. Reverend Mr. William E. Burke, field worker for the Home Mission Board, spent two weeks in the Association under the direction of Reverend Mr. B. D. Locke, speaking in sixteen or more churches.

5. Your Executive Committee approved a plan offered by Reverend Mr. B. D. Locke for simultaneous schools of missions in January, 1958. 6. The Executive Committee has operated the Central Florida Seminary Extension Center during the year. Reports of the work will be made during the Association meeting.

7. The Executive Committee afforded the opportunity of its meetings for the projection of a Baptist Pastors' Conference. The first meeting

was held September 16.

8. Again this year one hundred per cent of the churches have contributed to world missions through the Cooperative Program.

We offer the following suggestions for improvement of the work: That every church elect a representative to the Executive Committee who can attend the meetings and then urge them to do so.

2. That each church plan to have one of the schools of missions planned for next January.

STEWARDSHIP AND THE COOPERATIVE PROGRAM 1957 Wekiwa Associational Meetings Romans 10:9 - 15

Mission gifts through the Cooperative Program increased nearly \$1.3 million in 1956 over 1955 throughout the Southern Baptist Convention. 1955 gifts were \$35.7 million and 1956 gifts were \$37 million. This is a 3.6 per cent increase. Florida's increase for the same period was from \$1,584,450 to

\$1,758,622 or a 11 per cent increase.

The Southern Baptist Convention, meeting in Chicago last May, adopted a goal of each church increasing its percentage to missions to the Co-operative Program by 2 per cent of the total budget [not 2 per cent of the present Cooperative Program gifts] per year between now and the Jubilee Year, 1964. The Florida Baptist Convention meeting in Lakeland, November 8-10, 1955, voted that each cooperating church be asked to increase its gifts through the Cooperative Program by at least 1 per cent of its total budget receipts each year.

Already having played a vital role in helping to increase church income for all causes is the Forward Program of Church Finance.

Recommendations;

1. That our association support the annual Church Leadership Conference held in our association the last week in January each year, and any other conferences or clinics that may be held in our association on the Forward Program of Church Finance.

2. That our churches proceed to use the Forward Program to subscribe

their annual budgets, and follow the entire program,

That each church seek to increase its gifts to world missions through the Cooperative Program by at least 1 per cent per year of its total budget [not 1 per cent of present Cooperative Program gifts] until a 50-50 division is reached.

ASSOCIATIONAL REPORT ON CHRISTIAN EDUCATION

Southern Baptist financial report of their colleges and schools increased over nine million in 1955 to over 11 million in 1956.

Enrollment in the 70 colleges, seminaries and schools reached 57,335. Property value increased from over 14 million in 1955 to over 16 million in 1956.

Increased difficulty in recruiting qualified teachers in the colleges con-

tinue to become more serious.

The Education Commission has published helpful vocational guidance papers for teenagers in their search for careers.

The Florida Baptist Convention has entered upon a program of education for those unable to attend colleges or seminaries.

A new Institution is now chartered in Graceville known as The Baptist Bible Institute.

Stetson University is the only institution of higher learning in Florida. It enrolled 1624 students in the 1956-57 session and has 153 on it's Faculty, and Administration Officers.

A new Student Union Building was opened at the commencement of

the 1957 session.

A new Library is under construction at the St. Petersburg Campus. Florida Baptists have been in the business of Christian Education for nearly a hundred years but the future of their mission is brighter today than at any other time in the history of the Baptist cause in Florida.

Respectively Submitted. Hugh High

We Baptists have a zeal of God. Since knowledge is so readily available,

our zeal should certainly be "according to knowledge."

To become better informed and more capable Baptist, we should take

advantage of our fine informative Baptist literature and periodicals.

The more our people make use of these periodicals, the greater are the publication efforts and the circulation. Last year the Sunday School Board printed and distributed 84,160,000 copies of its periodicals, 4,200,320 books, 57,200,000 pre-printed church bulletings and millions of tracts.

Circulation of the Commission is now 134,063, Home Missions Magazine 167,000, Home Life Magazine 781,150, Brotherhood Journal 108,000, W.M.U. publications 519,000 monthly plus 36,000 quarterly all record circulations.

At the 1957 Convention in Chicago, the 25 Baptist State papers reported a combined circulation of 1,279,691 copies each issue, with three new state

papers having been added in recent years.
Our own paper, The Florida Baptist Witness, is going into 47,589 homes in 705 churches. There are still some 30,000 Baptist homes in Florida into which churches are not sending the paper. This paper is the most economical medium of information a church can provide its members. Every church is urged to consider promptly sending the Witness into the homes of all members. This may be done through the Church Budget Plan, the small cost to be paid in easy monthly installments. The price will be a small one to pay for well informed church members.

REPORT OF THE COMMITTEE ON FLORIDA BAPTIST CHILDREN'S HOME

The work at the Home has entered a new phase. For the first time in its history, a department of social service has been established which meets the requirements of the State Department of Public Welfare. There are three graduate case workrs on the staff, each with a master's degree in social work from an accredited college or university. This will enable us to do faster home placement and provides a better counseling service for the children who need it. It will also make it possible for us to give help to more children without increasing the number of cottages at Lakeland. We can extend our mother's aid program to the fullest and give a better service to those who must have care in private homes.

The increase in assistance to children through the case work department is evident from the report of the social service division of the Home. It shows that we assisted 293 children, which is the largest number ever

helped in a given year.

The Home at Miami was opened August 28th. It is a branch of the Florida Baptist Children's Home in Lakeland and in no way is it a separate children's home. We have completed two cottages which are now occupied by children and workers. We will build two more when the funds are

available. The completed unit will have four cottages for children, an office,

and a home for the manager.

The branch home is well located. It is near a church and a school which eliminates the problem of transportation and gives our children excellent facilities for spiritual and mental development. The workers and children attend church at the Wayside Baptist Chapel in Kendall.

Those who work at the Home are highly gratified at the progress made in the care of children. There is no service more important than giving a child christian training. Loving care and christian training have changed the lives of hundreds of boys and girls who have lived on our Home.

We wish to emphasize the importance of a continuation of your help to our children. Let us help by assisting them through the cooperative pro-

gram and the Thanksgiving offering.

Respectfully submitted, COMMITTÉE ON CHILDREN'S HOME

REPORT OF WOMAN'S MISSIONARY UNION OF WEKIWA ASSOCIATION 1957 - 1958

Woman's Missionary Union of the Wekiwa Association has undergone nany changes in the past year. The leadership had to be changed in the niddle of the year due to the leaving of Brother and Mrs. Roberts and as you know, it does retard the work to some extent.

The New "AIMS FOR ADVANCEMENT" has taken the place of the Standard of Excellence under which we have worked for many years.

With the tremendous growth of the woman's work, the stress and strain of the new changes, it has been hard to catch up and keep step with this progress. I can honestly say the women are striving to make these changes as fast as possible. "Behold, old thing have passed away, all things have become new" can certainly apply to woman's missionary union today.

"FOR THE EARTH SHALL BE FILLED WITH THE KNOWLEDGE OF THE GLORY OF THE LORD AS THE WATERS COVER THE SEA." This has been the watchword of Woman's Missionary Union for the past year and we have endeavered to labour together with God in carrying out the fundamentals of Woman's Missionary Union-Mission Study, Community Missions, Stewarship and the most important is Prayer.

The first Aim on the Chart of Aims for Advancement is WORLD AWARENESS. Through the study of our mission fields in our mission study classes and the reading of mission books and our seasons of prayer

we have tried to meet these needs by our prayers and gifts.

Lottie Moon gifts Annie Armstrong 2.542.19 Home Missions 2.658.70 Other gifts TOTAL GIFTS 205.19 \$9.184.93

And I might say, that is over and above the gifts to Cooperative Program. There have been 42 mission study courses and 1,171 mission books

read this year.

Through Community Missions we have endeavered to minister to the sick, comfort the sorrowing, relieve the needy, supply the necessities for the imgrants and seek the lost through the Soul-winning Visitation. Through sharing our possessions in Stewardship, we have studied books on Stewardship. ship, studied the stewardship messages from God's Word, stressed the importance of tithing, showing the joy one can have in partnership with God. We have 746 Tithers which does not include the Auxiliaries and 987 giving through the Cooperative Program. Our spiritual life has been deepened through prayer by the study of God's Word, through private prayer life, observing the seasons of prayer and praying daily for our missionaries whose names appears on the Calendar of Prayer on their birthday, and by forming Prayer Leagues for our shut-ins.

A number of our women attended the Florida State Woman's Missionary Union Convention in Gainesville in April. Seven attended the Leader's Conference in Daytona in September and approximately sixty attended

the Day of Instruction in Sanford, 30th September.

Some one has said: "Knowledge is awareness of the fact that fire

burns; but wisdom is remembrance of the blisters."

Through these intense studies we have the knowledge of the awareness of the fact that the old Standard of Excellence was inadequate for the times in which we live, and we have found that it is wisdom to keep step

with progress through the new Aims for Advancement.

The new watchword for 1957-1958 is taken from Rev. 3:8 "Behold, I have set before thee an open door." Today there are many doors opened to the women of this association-great opportunities are presenting themselves with so many new people coming into our midst. We must enlist them in the service of our Lord, lead them to find their way into our churches, seek those who are lost to find and know our Saviour. May we enter this open door with praise, prayer and a determination to give of our best to the work of Woman's Missionary Union under the leadership of our Lord Jesus Christ.

> Respectfully submitted. Mrs. Chas. T. O'Rork, Pres.

REPORT OF THE LEADER OF YOUTH FOR W.M.U. - 1956-1957

The past year has been one of many changes as well as many satisfactions in working with young people. This year has inaugurated new report forms, Aims for Advancement replaced the Standard of Excellence and the more complete transfer of the Royal Ambassadors to our Brotherhoods. In this report their report is not included but much work has been done in co-operation with the Brotherhood and we feel that the work with boys will continue to increase under their supervision.

Emphasis has been on Leadership training this year with forty leaders with youth completing or in the process of completing the Basic Leadership

Course of Southern Union.

In January we offered Basic Leadership Course in Sunbeam, G.A. and Y.W.A. Work at Delaney Street Church. In February we entertained the State Leadership Workshop at which time a demonstration Coronation on R.A. Recognition service was held. April found us sending the R.A. Counselor to the State Congress in Ft. Lauderdale. Two Y.W.A. girls went to Ridgecrest Conference in June. The month of July was used for Camp.

Bro. M. R. Barnes directed the Boys camp, Mrs. Robt. McAllister directed Jr. Girls and Mrs. J. H. Avent directed Intermediate girls. Each of these camps had their own schedule and counselors. In each camp the Honor Camper, Star Camper, and Star Cabin awards were made each week. Cabin inspection was made each morning. Mrs. E. M. Walling headed the kitchen staff for all three weeks assisted by Mrs. A. C. Rowe, Mrs. Bert Jarvis and Mrs. Lutha Killgore. There was a lifeguard each week and our nurse, Mrs. Metger worked all three weeks administering First Aid to 292. Our missionaries were Miss Watson and Rev. Pucciarelli with Miss Donnette Dunaway teaching a Stewardship Book. There were 224 in attendance with 15 saved and 100 Dedications and rededications.

On July 30 we have our Young People's Rally at College Park Church with Miss Marie Connor as Missionary speaker. In the afternoon at a G.A. and R. A. Recognition Service there were 17 girls and 4 boys recognized.

The Sunbeam Day Camp was well attended on August 8.
The last Associational W.M.U. Recognition for R.A.'s was held on September 10 at Killarney Church with Mr. Armand Ball, retiring State R. A. Secretary conducting the service. There were 8 pages, 4 squires, 1 knight, and 1 Ambassador Extraordinary recognized. Mr. Kader, successor to Mr. Ball under the Brotherhood Department was introduced to our group.

At the State W.M.U. Convention in Gainesville, the Young People of Wekiwa Association were awarded the State Efficiency banner for the year ending

September 30, 1956.

ANNUAL TRAINING UNION REPORT FOR 1956 - 57

This year in a lot of ways has been a year of blessings and things to rejoyce about. We are closing the year with 1,603 training course awards and several special events that we have had during the year. On "M" night, we had Mr. Harvey Gibson from Nashville, Tennessee as our speaker. Mr. Gibson brought out a lot of facts about our training union work. Then in March, we had our leadership clinic with Mr. O. K. Radford and a well-trained staff here for a week. We had two fine young ladies from the North Park Church represent us as Sword Drill and Better Speakers contestants and they carried first place on to the Florida Deland Assembly: They were Miss Carolyn Sue Gibson, Sword Drill, and Miss Virginia, Gavitt, Better Speaker.

We also had Dr. Finley Edge from Southern Seminary and Rev. Russell

Carter from Jacksonville as guest speakers at other times.

I want to express my sincere appreciation for the cooperation and help from all the churches, officers, and leaders in our great association during my ten years as your leader for the Training Union association.

REPORT ON SEMINARIES AND CENTRAL FLORIDA SEMINARY EXTENSION

The five Southern Baptist theological seminaries report a total enrolment of 6,196 for the 1956-1957 session.

Plans are now in progress for the Centenial celebration of Southern Seminary in the calendar year 1959, during which time the Southern Baptist Convention will hold its annual session in Louisville. The major

19

project will be the erection of the James P. Boyce Library, which will provide an adequate library plus classroom and office space. The cost will be \$1,500,000 of which \$500,000 has already been pledged.

Southwestern Seminary will celebrate its Golden Anniversary in 1958. During the 1956-1957 session notable additions to library facilities were made, and ground was broken for the development of a student village.

The New Orleans Seminary is approaching its 50th year with recordbreaking student enrolment, faculty, curriculum, building facilities and no indebtedness. Student pastorates are held by more that 400 students; field mission work is compulsory. Since 1918, one out of every nine graduates has gone to the foreign mission field. Golden Gate Seminary has experienced a record year in almost every way. The student enrolment has come from 32 states, the District of Columbia, Hawaii and six foreign countries. Growth in every area is being experienced. Occupation of the new campus is expected for the fall semestr of 1959.

Southastern Seminary has experienced an unprecedented enrollment increase of 222 Dormitory space is adequate at present, with 60 apartments available on the campus. A Child Care center was opened during the year. A number of old buildings have been remodeled; others have been removed to be replaced by new buildings. A library is under construction and a cafeteria has been completed.

The Central Florida Seminary Extension Center report is to be made in conjunction with this report by the Reverend Spurgeon Hinds who served as registrar for the Center.

As usual, the various churches of the Association have shown a rather keen interest this year in the various community social-welfare organizations; they have participated in the Orange County Temperance League and United Christian Action; and their overworked pastors have certainly done what they could to minister to the personal and social needs of their

However, it has been somewhat disappointing to find that not a single church has either a minister of counseling on its staff or a social-service department. If this is financially impossible for the individual churches, they might easily pool their efforts and establish and maintain a centrallylocated social-service center which would provide pre-marital and marital counseling and treatment for alcoholism, juvenile deliquency, homosexuality, and mental ills. How great the need along these five lines is here indicated.

First, the need for pre-marital and marital counseling. In 1940 there were 20 divorces for every 100 marriages in this country. Today there are 33 - that is, I divorce for every 3 marriages. These figures, though, do not give us a complete picture of the marital unhappiness in this country, for there are probably many thousands of dissatisfied couples who refrain from getting a divorce for some reason, such as their children or their religious belief. A certain psychiatrist tells us that one of every two marriages is an unhappy one; but this ratio is likely to be a little high because a phychiatrist, as a rule, interviews only the least well-adjusted However, he is probably not too far from the correct ratio.

Second, the need for help for users of alcoholic beverages. There are approximately 60 milion users of alcoholic beverages in the United States. Slightly over four and one-half million of whom may be classified as "excessive drinkers," and approximately one million as confirmed alcoholics. Here in Florida we have approximately 120,000 "excessive drinkers," and about 25,000 confirmed alcoholics. About one-fifth of all these are women. The economic, social, and cultural costs that John Barleycorn has forced upon us are indeed staggering in their dimensions. Also, there are other less tangible costs. The pain and destruction are not limited to alcoholics alone, for around each alcoholic there is a "circle of tragedy" composed of all persons whose lives are in close touch with his or hers.

Third, the need for help in the case of juvenile deliquency. Lowell J. Carr, in his book entitled DELINQUENCY CONTROL, states that this country, which "leads he world in the production of automobiles, furnaces, and radios . . ., stands lowest among civilized peoples in respect for law and order." According to the FBI, "in 1956 more than half of all burglaries and two-thirds of all auto thefts in the nation were committed by youths under 18." Last year "one out of every thirty children between the ages of 10 and 17 was in trouble with the police." And some experts confidently predict that during this year [1957] "one ou of every twenty children in that age span will be picked up by the police because of delinquent behavior."

Fourth, the need for help in the case of homosexuality. Homosexual fantasies, as well as overt homosexual behaviour, involve far more individuals than is ordinarily realized. Two different studies reveal that four percent of all males are exclusively homosexual from adolescence on, and that eight precent of all men engage exclusively in homosexual activities for at least three years between the ages of 16 and 55. Comparable incidence figures are no available for women; but since emotional rela tionships among women are more readily condoned than among men, it is quite likely that they are somewhat higher than those for men. It is indeed a pity that modern society takes such an unfortunate view of this abnormality. Not only are homosexuals castigated by public opinion; but in most states in this county fullfledged homosexuality is regarded as a crime punishable by five years' imprisonment. How grateful we should be [and especially the homosexuals] that it has recently been discovered that this abnormality can be cured!

Fifth, treatment for mental and emotional ills. There are 16 million people in the United States suffering from mental and emotional ills - one out of every ten.If this ratio holds for the members of this Association, and more than likely it does, then there are about 2,000 such sufferers among our church members, not to mention the other members of the various church families that are not church members. Among these are persons suffering from such minor troubles [if such may be called minor] as anger, anxieties, depressions, fears, insomnia, jealousy, and nervousness, and some from such major ills as grief, hypochondria, inferiority complex, melancholia, mental obsessions, neurasthenia and sexual inadequacies. How unhappy most of them are! And their unhappiness affects all

with whom they come in close contact.

What a gloomy picture! What do we intend to do about it? Most certainly something should be done. And this is no reflection upon our splendid pastors, for they are doing all that they possibly can to meet the numerous personal and social needs of their parishoners. We simply must depend on our already over-worked pastors. In the first place, they do not have the time. Second, in many instances some of them may feel that they have not had adequate professional training. And third, as Dr. Gene E. Bartlett, pastor of First Baptist Church at Los Angeles, California, says, many are "reluctant to go to their own minister because they feel they will lose face in his eyes and fear by some reference he might let it be known to their mutual friends that a personal problem exists."

Hence, here is a suggestion:

First, that the Wekiwa Baptist Association go on record as favoring the

establishment of a centrally-located and counseling center.

Second, that a committee of seven, consisting of three ministers and four lay members-two men and two women-be appointed by the chairman of the Association to determine the date and place for the establishment of such a center and also to determine policies and operational procedure of the organization.

Third, that a committee be appointed by the pastors of the various churches to assist them in determining the personal and social needs of the members and what members they feel should be referred to the

guidance and counseling center.

Fourth, that, for the beginning, the staff should consist of at least a full-time professionally-trained director and counselor, a full-time secretary-treasurer and assistant counselor, a full-time trained social worker and assistant counselor, a few ministers and church members with "skills" in counseling donating a few hours each week to this very important service, and also a lawyer and a physician who would be willing to donate their time when needed.

Fifth, that there be no charge for either pre-marital, marital, or clinical guidance and counseling for any member of a Baptist family in the Associa-

tion. However, there will be a nominal fee for all others.

Sixth, that the expense for establishing and maintaining the guidance and counseling center be pro-rated among the various churches of the As-

sociation.

As already stated, the picture of the personal and social needs of our Association is gloomy indeed. In closing, I quote from the second verse of the tenth chapter of St. Luke, which is quite apropo: "The harvest truly is great, but the laborers are few; pray ye therefore the Lord of the harvest that He send forth laborers into his harvest."

ASSOCIATIONAL SUNDAY SCHOOL REPORT

1956 - 1957

In the Bible we read "Say not ye there are yet four months and then cometh the harvest, behold, I say unto you, lift up your eyes and look on the fields for they are white already unto harvest."

The same situation that was present more than 1900 years ago is still with us today. Unreached people are everywhere, especially here in Florida.

The opportunities along with the responsibilities are tremendous.

Your Sunday School Association is constantly aware of these facts and endeavors to keep our people appraised of the situation through-out the

Our objectives in the Sunday School Association during the year 1957-58 in addition to promoting the regular program are as follows:

Assist our Churches in sponsering 10 new Sunday Schools.

SOCIAL SERVICE AND TEMPERANCE

GREETINGS:

"Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitted in the seat of the scornful."

Temperance is a healthy state, and God Blessed. The summation of God's exhortation for mankind is to be moderate and temperate in all things. Temperance is good whereever found in the world. It's counterpart, "Intemperance" is vicious and deplorable. Temperance is a blessing. Intemperance is a curse.

When we think of intemperance, we think only of excessive use of alcohol for beverage purposes. True, it ranks high in the catalog of sins, and deserves the contempt of all decent, God-loving, God-fearing people everywhere.

All sin is intemperance, and the Devil will continue to score victories if we shopt all our ammunition at the excessive use of alcohol as beverage. Other sins more deadly, but less public, lie at the root of the alcohol tree, wrecking more lives, and homes and society while we wage a losing

battle against beverage use of alcohol.

The alcohol problem will never be solved by legislation and resolutions. That has been tried by the 18th amendment for some fourteen years, only to be repealed with the battle-cry, "Drink America back to prosperity." Today we see the whole evil mounting like a volcanic eruption through the medium of the radio, television, Magazines, newspapers, bill-boards and neon signs glaring in our living-rooms and on the streets.

Florida's picture of the liquor business ranks her 13th among the states of the Nation, with 4,500 alcoholics per 190,000 population. There is now more than 15.800 beverage alcohol outlets legalized in Florida. Florida has

46 wet counties, 21 dry.

Orlando and Orange County has her share of these sales places.

When all other deadly evils of intemperance shall have been corrected in every realm and fiber of socity, then we can boast of our Social Service

as a SUCCESS.

When that time comes, King Alcohol and his children all the way down from John barleycorn to the moderate drinker will be a thing of the past, and as a GRAND FINALE, the world will enjoy a respite adding up to an Eutopia of the centuries.

You ask, When will that time come? Well! your guess is as good as

mine.

Get this! Last year Florida consumed more than 50 million gallons of beer, 6 million gallons of whiskey, and 2 million gallons of wine plus more

boot-leg liquor than in any previous in our State's history.

Florida spent more for liquors, drank more, and had more alcoholics per capita than any other state in the South-East. Prison, and Mental Institution are bulging while Church pews are more and more being emptied. WHERE DO WE GO FROM HERE?

BROTHERHOOD REPORT TO THE WEKIWA ASSOCIATION 1956 - 1957

Brotherhood work in Wekiwa Association took a big step forward this year. We have been getting ready for the change over of the Royal Ambassadors from the sponsorship of the W.M.U. to the Brotherhood. We have held several Basic Leadership Courses for Royal Ambassador Councilors to prepare them for leadership in the Royal Ambassador Chapters.

We held our Associational Brotherhood-Royal Ambassador Clinic at

North Park and had a fine turnout.

We were host to the State Brotherhood at the State Convention in Orlando and served four hundred and fifty one Brotherhood men and

We held four regular meetings, three at Camp Joy and one at the First Church, Orlando. One of the meetings at the Camp was Ladies Night with a good turn out for the event.

We held five Evecutive Committee meetings this year.

Some of the highlights of the year included Brotherhood week at Ridgecrest, when College Park took about twenty Royal Ambassadors and Councilors up there for the weeks Conference. There were several decisions from these boys for full time Christian Service.

Then, the First Florida Brotherhood Encampment at Panama City, which was well attended. Next year there will be four such encampments at each of the following cities: Tampa, Miami, Jacksonville, and Panama

City.

The biggest event of the year was the National Brotherhood Conference at Oklahoma City celebrating the Fiftieth Anniversary of the

We are looking forward to another great year in our Association. We hope to organize as many Brotherhoods that are ready and to organize new Royal Ambassador Chapters. We see and accept the challenge to lead our boys and men in Christian work and education. We hope that each church will see the need for the men of our Association to be dedicated to Christ and to His work of spreading the Gospel here in our Association as well as to the uttermost parts of the earth.

We will try a new approach in Associational work this year in meeting with a different church each quarterly meeting. We hope this will encourage the Brotherhoods to have a large representation and will help

them in their work in the individual church Brotherhoods.

We need to learn to put men to work in our churches just as soon as we win them to Christ, teaching them why they are Baptists and training them how to win and witness for Christ and how to live for Him. We will not win the lost unless we live what we preach. As men we have a great opportunity to witness for Christ on our jobs and in our every walk

I met with twenty five church Brotherhoods and helped organize three

new Brotherhoods this year.

Our aim in Building Better Brotherhoods during 1958 will include "Growing Better Royal Ambassador Chapters", "Cooperative Program", "Evangelism", and "Stewardship".

RELIEF AND ANNUITY BOARD 1957

The Relief and Annuity Board has completed its 39th year of service to Southern Baptists. Today there are nearly 16,000 Southern Baptist pastors and denominational workers actively enrolled in all of the retirement plans

Last year, the Relief and Annuity Board paid out in benefits a total of \$1,946,654.83. Of this amount \$1,626,211.59 was in annuity benefits received by 3,174 retired ministers and denominational workers, widows, and those who are disabled. The remaining \$320,443.24 went to the 1,474 aged

preachers and widows on the relief rolls.

As long as these aged servants of God need the help of the Relief Department, the Board will seek in very possible way to supply that help. The long-range answer to the needs of relief is to prevent those needs from occuring. As pastors and denominational workers are enlisted in the retirement plans, the annuity rolls will increase and the relief rolls will decrease.

AMERICAN BIBLE SOCIETY By Robert D. McAllister

The American Bible Society is a non-denominational and non-profit organization dedicated to the tremendous task of translating, publishing and distributing the Holy Scriptures throughout the world. SUMMARY FOR THE YEAR

Distributed throughout the world more than 15 million volumes of

Supplied over 13,000 Bibles and other Scriptures to Hungarian refugees

in Austria and other countries, as well as the ones coming to the U.S.A. Donated nearly one million Scriptures volumes for distribution by Chaplains to our Armed Forces, as a vital link between the home churches and the men in service.

Rejoiced in translation of the Bible into more than 1,109 languages. The entire Bible has been translated and published in 210 languages: a complete Testament in 270 more; and at least a Gospel or other complete book in 629

additional languages.

In 2 Timothy 2:15 we read these words: "and that from a child thou hast known the holy scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus." If the 1 billion, 400 million lost people in the world are to know Jesus Christ, they must have the Bible in their own language for it can speak to their heart. The Bible itself is a missionary. It can go where the human missionary can not go, stay on after he has left, and keep on speaking to a man's heart. The Bible, in the language of the people with whom he works in the missionary's chief tool, and He uses it in every form of mission work.

As Missionary Baptists we need to cooperate with the other Churches of other Evangelical Faiths in giving to this vital work. Last year our Churches gave \$120,730, which is less, percentage wise, than the Methodists and the American Baptists. "Brethren, these things ought not to be." James 3:10. We urge every Church to give some gift this year to this Society and strive to have it put in your Church budget, sending it through our

State Secretary.

REPORT ON VISITATION AT CENTRAL FLORIDA TUBERCULOSIS HOSPITAL

"Comfort ye, comfort ye, my people, saith your God." Isa. 40:1. This is God's charge to His servant, Isaiah, the Prophet. The people have gone through the fires of captivity, now they need the message of hope and assurance, to comfort and encourage their hearts. The patients at the Hospital are undergoing trials of affliction, and need God's message of hope and comfort. This Message is rooted and grounded in God's Word which we use and magnify in our witness.

This has been a wonderful year in our work at the Hospital. We feel that much and lasting good has resulted from the blessings of God upon this special work of the Wekiwa Association. Two periods each week are dedicated to this visitation. We read the Bible, Pray, and counsel with the patients; seeking always to discover the spiritual needs of each one, ane point the way to Christ whose Grace is all Sufficient. I find that many

people are sick because of mental and spiritual conflicts.

The number of patients at the Hospital varies from time to time, but there is a daily average of about 350. With this group your visitor made more than 1,400 contacts during the Associational year. Several made decisions for Christ and the Christian life there in their rooms. Among those making decisions was a young man visiting his mother at the hospital. Another was the young husband of a patient. He was in the Orange County jail. We went to see this man at the request of his wife. On his knees there in the jail, he accepted the Saviour. He writes me that while serving time, he is trying to witness for His Lord. I mention these two cases to indicate how far reaching this Ministry can be. We earnestly covet your interest and prayers for this work.

B. B. I. REPORT

The Baptist Bible Institute, is now located at Graceville, Florida, is per-

forming a special service in our Lord's kingdom work.

B.B.I. became a reality in Lakeland, Florida, after some pastors and laymen of the South Florida Association got together with their thinking and material resources. They were mindful of the fact that God does call men and women into His service who, for one reason or another, have but very little formal schooling.

These God called men and women want training. They cannot qualify

to enter Stetson University, or other schools of higher learning. The

Baptist Bible Institute is designed to help these.

B.B.I. is now located near the border lines of Florida, Georgia, and Alabama, which gives it a greater opportunity to reach out into areas with

its teaching ministery where it is most needed.

The Baptist Bible Institute now belongs to Florida Baptist. Action was taken on the transfer of ownership to the convention, while that body was in session in Orlando in November 1956. The final transfer of the deeds to all properties, and the appointment of trustees by the convention, was carried out at a special meeting of the convention at the First Baptist Church, in Jacksonville, in June 1957.

At this time there are pastors who attended B.B.I. serving churches all over the state of Florida, and other states also. And they are serving in a real Southern Baptist cooperating way. It can be restated, that these men were called of God, to preach his gospel. There is little doubt but what they would be preaching in some Baptist church, had there never been a Baptist Bible Institute, but it is doubtful if they would have been a co-operating Baptist.

The school is deserving of our most earnest prayers and material

support.

ANNUAL REPORT RADIO - TV COMMISSION To Wekiwa Baptist Association 1957

On a Southwide basis our Southern Baptist Radio and TV Commission presents the following programs. "This is the Answer", is televised over 170 different stations into 1,160,000 homes reaching 85% of the Nations Viewing Audience. The cost is approximately \$450,000, which actually means that to send one message of the Christian Gospel to a family of three, costs just one cent!

On the radio the Baptist Hour is carried by 440 radio stations to a listening audience of 30,000,000. Other radio programs sponsored by the Radio-TV Commission include "Moral Side of the News", "International Sunday School Lesson", "Chapel Upstairs", and "Great Hymns by the

Baptist Hour Choir".

Within the bounds of our own association we are fortunate to receive the following: The first series of 13 televised "This is the Answer" programs over WDBO-TV; also we still receive the Baptist Hour over WLOF. In addition to this several of our churches have commitments with Orlando and Kissimmee stations.
