**CHURCH COVENANT**

"Having been led, as we believe, by the Spirit of God, to receive the Lord Jesus Christ as our Saviour, and on the profession of our faith, having been baptised in the name of the Father, and of the Son, and of the Holy Ghost, we do now in the presence of God, angels, and this assembly, most solemnly and joyfully enter into Covenant with one another, as one body in Christ."

"We engage therefore, by the aid of the Holy Spirit, to walk together in Christian love; to strive for the advancement of this Church in Knowledge, holiness, and comfort; to promote its prosperity and spirituality, to sustain its worship, ordinances, discipline, and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expenses of the Church, the relief of the poor, and the spread of the gospel through all nations."

"We also engage to maintain family and secret devotion; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings, faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting, and excessive anger. To abstain from the sale and use of intoxicating drinks and beverages, and to be zealous in our efforts to advance the kingdom of our Saviour."

"We further engage to watch over one another in brotherly love; to remember each other in prayer, to aid each other in sickness and distress; to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense, but always ready for reconciliation, and mindful of the rules of our Saviour to secure it without delay."

"We moreover engage that when we move from this place, we will as soon as possible unite with some other church, where we can carry out the Spirit of this Covenant and the principles of God's Word."

## ARTICLES OF FAITH

### 1. OF THE SCRIPTURES

We believe that the Holy Bible was written by men Divinely inspired, and a perfect treasure of heavenly instruction; that it has God for its Author, salvation for its end, and truth without any mixture of error for its matter; that it reveals the principles by which God will judge us; and therefore is, and shall remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and opinions should be tried.

### 2. OF THE TRUE GOD

We believe that there is One, and only One living and true God, an Infinite, intelligent Spirit, Whose Name is Jehovah, the Maker and Supreme Ruler of Heaven and Earth; inexpressibly glorious in Holiness, and worthy of all possible honor, confidence and love; that in the Unity of the Godhead there are Three Persons, the Father, the Son, and the Holy Ghost; equal in every Divine Perfection, and executing distinct but harmonious Offices in the great work of Redemption.

### 3. OF THE FALL OF MAN

We believe that Man was created in holiness, under the law of his Maker; but by voluntary transgression fell from that holy and happy state; in consequence of which all Mankind are now sinners, not by constraint but choice; being by nature utterly void of that holiness required by the law of God; positively inclined to evil; and therefore under just condemnation to eternal ruin, without defense or excuse.

### 4. OF THE WAY OF SALVATION

We believe that the salvation of sinners is wholly of Grace; through the Mediatorial office of the Son of God; Who by the appointment of the Father, freely took upon Him our nature, yet without our sin; honored the Divine law by His Personal obedience, and by His death made a full Atonement for our sins; that having risen from the dead, He is now enthroned in heaven; and uniting in his wonderful Person the tenderest sympathies with Divine Perfections, He is every way qualified to be a suitable, a compassionate, and all-sufficient Saviour.

### 5. OF JUSTIFICATION

We believe that the great Gospel blessing which Christ secures to such as believe in Him is Justification; that Justification includes the pardon of sin, and the promise of eternal life on principles of righteousness; that it is bestowed, not in consideration of any works of righteousness which we have done, but solely through Faith in the Redeemer's Blood; by virtue of which faith His Perfect righteousness is freely imputed to us of God; that it brings us into a state of most blessed peace and favor with God, and secures every other blessing needful for time and eternity.

### 6. OF THE FREEDOM OF SALVATION

We believe that the blessings of salvation are made free to all by the Gospel; that it is the immediate duty of all to accept them by a cordial penitent and obedient faith; and that nothing prevents the salvation of the greatest sinner on earth, but his own inherent depravity and voluntary rejection of the Gospel; which involves him in an aggravated condemnation.

### 7. OF GRACE IN REGENERATION

We believe that in order to be saved, sinners must be regenerated, or born again; that regeneration consists in giving a holy disposition to the mind; that it is effected in a manner above our comprehension by the power of the Holy Spirit, in connection with Divine truth, so as to secure our voluntary obedience to the Gospel; and that its proper evidence appears in the holy fruits of repentance, and faith, and newness of life.

### 8. OF REPENTANCE AND FAITH

We believe that Repentance and Faith are sacred duties, and also inseparable Graces, wrought in our souls by the regenerating Spirit of God; whereby being deeply convinced of our guilt, danger and helplessness, and of the way of salvation by Christ, we turn to God with unfeigned contrition, confession, and supplication for mercy; at the same time heartily receiving the Lord Jesus Christ for our Prophet, Priest and King, and relying on Him alone as the Only and All-sufficient Saviour.

### 9. OF GOD'S PURPOSE OF GRACE

We believe that Election is the Eternal purpose of God, according to which He graciously regenerates, sanctifies, and saves sinners; that being perfectly consistent with the free agency of man, it comprehends all the means in connection with the end; that it is a most glorious display of God's Sovereign Goodness, being Infinitely free, wise, holy and unchangeable; that it utterly excludes boasting, and promotes humility, love, prayer, praise, trust in God, and active imitation of His free mercy; that it encourages the use of means in the highest degree; that it may be ascertained by its effects in all who truly believe the Gospel; that it is the foundation of Christian assurance; and that to ascertain it with regard to ourselves demands and deserves the utmost diligence.

### 10. OF SANCTIFICATION

We believe that Sanctification is the process by which, according to the Will of God, we are made partakers of His Holiness; that it is a progressive work; that it is begun in regeneration; and that it is carried on in the hearts of believers by the presence and power of the Holy Spirit, the Sealer and Comforter, in the continual use of the appointed means—especially, the Word of God, self-examination, self-denial, watchfulness and prayer.

### 11. OF THE PERSEVERANCE OF SAINTS

We believe that such only are real believers as endure unto the end; that their persevering attachment to Christ is the grand mark which distinguishes them from superficial professors; that a special Providence watches over their welfare; and they are kept by the power of God through faith unto salvation.

### 12. OF THE HARMONY OF THE LAW AND THE GOSPEL

We believe that the Law of God is the eternal and unchangeable rule of His moral government; that it is holy, just and good; and that the inability which the Scriptures ascribe to fallen men to fulfill its precepts, arises entirely from their love of sin; to deliver them from which, and to restore them through a Mediator to unfeigned obedience to the Law, is one great end of the Gospel, and of the Means of Grace connected with the establishment of the visible Church.

**13. OF THE GOSPEL CHURCH**

We believe that a visible Church of Christ is a Congregation of baptized believers, associated by Covenant in the faith and fellowship of the Gospel; observing the Ordinances of Christ; governed by His Laws; and exercising the gifts, rights, and privileges invested in them by His Word; that its only Scriptural officers are Bishops or Pastors and Deacons, whose qualifications, claims, and duties are defined in the Epistles to Timothy and Titus.

**14. OF BAPTISM AND THE LORD'S SUPPER**

We believe that Christian baptism is the immersion in water of a believer, into the Name of Father, and Son, and Holy Ghost; to show forth in a solemn and beautiful emblem, our faith in the crucified, buried, and risen Saviour, with its effects, in our death to sin and resurrection to a new life; that it is a pre-requisite to the privilege of a Church relation; and to the Lord's Supper, in which the members of the Church by the sacred use of bread and wine, are to commemorate together the dying love of Christ; preceded always by solemn self-examination.

**15. OF THE CHRISTIAN SABBATH**

We believe that the first day of the week is the Lord's Day, or Christian Sabbath; and is to be kept sacred to religious purposes, by abstaining from all secular labor and sinful recreations, by the devout observance of all the means of Grace, both private and public; and by preparation for that rest that remaineth for the people of God.

**16. OF CIVIL GOVERNMENT**

We believe that Civil Government is of Divine appointment, for the interests and good order of human society; and that magistrates are to be prayed for, conscientiously honored, and obeyed; except only in things opposed to the Will of our Lord Jesus Christ, Who is the only Lord of the conscience, and the Prince of the kings of the earth.

**17. OF THE RIGHTEOUS AND THE WICKED**

We believe that there is a radical and essential difference between the righteous and the wicked; that such only as through faith are justified in the Name of the Lord Jesus, and sanctified by the Spirit of Our God, are truly righteous in His esteem; while all such as continue in impenitence and unbelief are in His sight wicked, and under the curse; and this distinction holds among men both in and after death.

**18. OF THE WORLD TO COME**

We believe that the end of this world is approaching; that at the Last Day, Christ will descend from heaven, and raise the dead from the grave to final retribution; that a solemn separation will then take place; that the wicked will be adjudged to endless punishment, and the righteous to endless joy; and that this judgment will fix forever the final state of men in heaven or hell, on principles of righteousness.

8. Report on Christian Education presented by Mr. Joe Jacobs, spoken to by Rev. James Sawyer and adopted.

#### SUGGESTED REPORT OF CHRISTIAN EDUCATION AND THE FLORIDA BAPTIST FOUNDATION, SEPTEMBER 30, 1951

The president of the Southern Baptist Convention, Dr. J. D. Grey, says: "What Southern Baptist believe and do in the next generation very largely depends upon our Baptist schools today. These schools have given us our leaders. We have supported them; they have blessed us. We must keep it like that. Our Baptist colleges are under pressure today from two sides. On one side is State education; on the other, non-denominational, inter-denominational or anti-denominational education. Baptist leaders will come from Baptist schools. The school administration must keep them Baptist in belief, practice, and control. In doing this they lay claim to the whole-hearted support of all our Baptist people. This will include adequate financial support from the State Convention, the local church, and the individual members. It will include also a moral and personal support leading Baptist parents to send their children to Baptist schools. In this matter we are at the fountain-head of our Baptist life. What is done about our schools settles what our denomination will do twenty-five years hence.

#### Accomplishments

"Stetson Week" was observed in January with many of the faculty, ministerial students and others presenting the work of Christian Education to the churches of Florida. Most of the churches observed "Stetson Week". Likewise "Christian Home Week." The "School of the Prophets" both Deland Assembly and West Florida were directed by the Department of Christian Education. There

is a growing interest in this phase of our work. Orientation week for ministerial students brings to the campus south and state wide denominational leaders. This is a great service to our ministerial students, acquainting them with institutions, agencies and work of our denomination. Through the columns of the FLORIDA BAPTIST WITNESS we have carried to our people the over-all picture of the work of the Department through special articles, tracts, etc.

#### Stetson

There were 2078 students enrolled for 1950-51. Out of the number there were 123 ministerial students with an equal number preparing for the mission field and special educational work. The tuition of ministerial students is paid by the State Convention and Stetson University. Stetson gives half tuition to all students coming from the Florida Baptist Children's Home.

Respectfully submitted,  
Joe Jacobs

### REPORT ON THE FLORIDA BAPTIST CHILDREN'S HOME LAKELAND, FLORIDA

The Memorial Chapel at the Home was finished January 15 of this year. Those who have seen it express themselves very favorably as to its general appearance and furnishings. It is considered the most beautiful building on the campus. It was erected in memory of the boys from the Home who gave their lives in the service of our country during World War II. It serves as a congregational meeting place for the children and workers in the Home. Chapel is held each Wednesday evening, and at other times for special occasions. They do not hold church services at the Institution. The children attend the First Baptist Church and the Southside Baptist Church in Lakeland.

The cottage for junior boys has been finished and twenty children have been added to the enrollment which is now 130. This does not include those who are receiving Mother's Aid. There are 26 children who receive help from the Institution and remain in their homes. The enrollment on the campus and those receiving Mother's Aid make a grand total of 156 who are receiving assistance now. Last year we cared for a total of 169 children—148 on the campus and 21 on Mother's Aid.

A wing has been added to the Gaines Vocational Building. It provides facilities for six boys. The major part of the cost of this addition was provided from funds left over from the construction and furnishings of the main building. If the need arises for a cottage for older boys another building of similar design can be easily added, which would give them the cottage and cut the cost to a minimum.

The farm and dairy are utilized in the operations of the Home. The dairy supplies the milk for the entire campus. A program of dairy and beef production is carefully followed which will give them all the milk they will use and much of the beef. They have 78 cows and calves in the herd. There are 130 acres in pasture, 40 of which are improved.

The Home has been given permission to ask for a special offering at Thanksgiving. The offering will be taken Sunday, November 25. The income from this source will be used to build a cottage for small children and for the operating expenses of the Home. They are asking for one day's pay from everyone who will help.

The need for the cottage is shown by the fact that they have 32 applications pending for admission. These children need help and, because they believe in Florida Baptists, they have turned to us. We must not send them away. We must not forget that Jesus blessed little children and that he said, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." We can provide a cottage for these children on November 25, furnish it, and admit every child to the Home it will accommodate if we will give ONE DAY'S PAY to the Institution. Let us here and now dedicate ourselves anew to service in the Kingdom of God and help those who have appealed to us and are in distress.

Respectfully submitted,  
Charles Howes

12. The hour having arrived for the Introductory Sermon, with the congregation standing sang hymn "Leaning On The Everlasting Arms." Rev. Simmons led in prayer after which Rev. Rakestraw brought a very challenging message. Scripture Rev. 3:14-16. Urge that total absence from the things of the world be the practice and example of Christians.

Adjourn for lunch.

### TUESDAY AFTERNOON SESSION

14. After singing hymns "Standing on the Promises" and "Glory to His Name" Rev. Davidson led the devotional with Scripture reading and prayer.

15. Report on Christian Literature presented by Rev. W. K. Thompson spoken to by Rev. Harold Davidson and adopted.

#### REPORT OF CHRISTIAN LITERATURE

We are living in an age when everybody in our country is thinking in terms of advancement.

Our school systems are making plans and carrying them out, to try to give to all of our youth, the opportunity for development in the know how and accomplishments of worth while achievements in life.

We are living in an age when all of our people are reading. If you don't believe this, make a visit to our news stands and public libraries to see how the people are making use of the various kinds of reading matter.

Reading, when digested, develops character, therefore, we should be very careful what kind of literature we provide for our people. That we may develop the right kind of character.

There are many kinds of literature to read, and each has its part in the development of character. If we want to develop the right kind of character, then we must encourage the right kind of reading. This will mean, we must know the difference between the good and the bad reading matter. There is much religious literature that is being circulated among our people and some of it, during the hour of morning worship when our brethren, who are sound in doctrine, are in this worship service that our people would be better off, not to read.

Therefore we recommend to the churches of our association, that we encourage the use, in our homes, of the periodicals published by the Baptist Sunday School Board, Nashville, Tenn. for the direction of our thinking and our study in the teaching program of our churches. The study course books as recommended by the four departments of our Southern Baptist Convention, for the development of better teaching and training in our church life.

The Home Life magazine for the direction of our family altars. The Fla. Baptist Witness the Home Mission magazine and The Commission for information and inspiration about our Baptist work at home and abroad.

We further recommend that our churches put the Florida Baptist Witness, the Home Mission Magazine and The Commission in the church budget, so that these magazines will be available for our people to read and study.

We also recommend that the churches establish libraries, if at all possible, with books that are sound doctrinally, inspiring and informative for the reading by our people.

Respectfully submitted,  
Rev. W. K. Thompson, chairman  
H. Burnett

- (1) We recommend and urge that each local Church set up a Church Budget and that Gifts through the Cooperative Program be placed in the budget and that such gifts be sent to the Jacksonville Office monthly.
- (2) We recommend that the Association sponsor a Simultaneous Evangelistic Meeting beginning August 10th through 24th, 1952.

17. Report of music committee was presented and spoken to by Mr J. M. Robinson and adopted.

#### "MUSIC REPORT"

Music in the churches of Florida Baptist Convention, and Southern Baptist Convention has had a very fine development during the past several years. The year just ended has certainly been no exception.

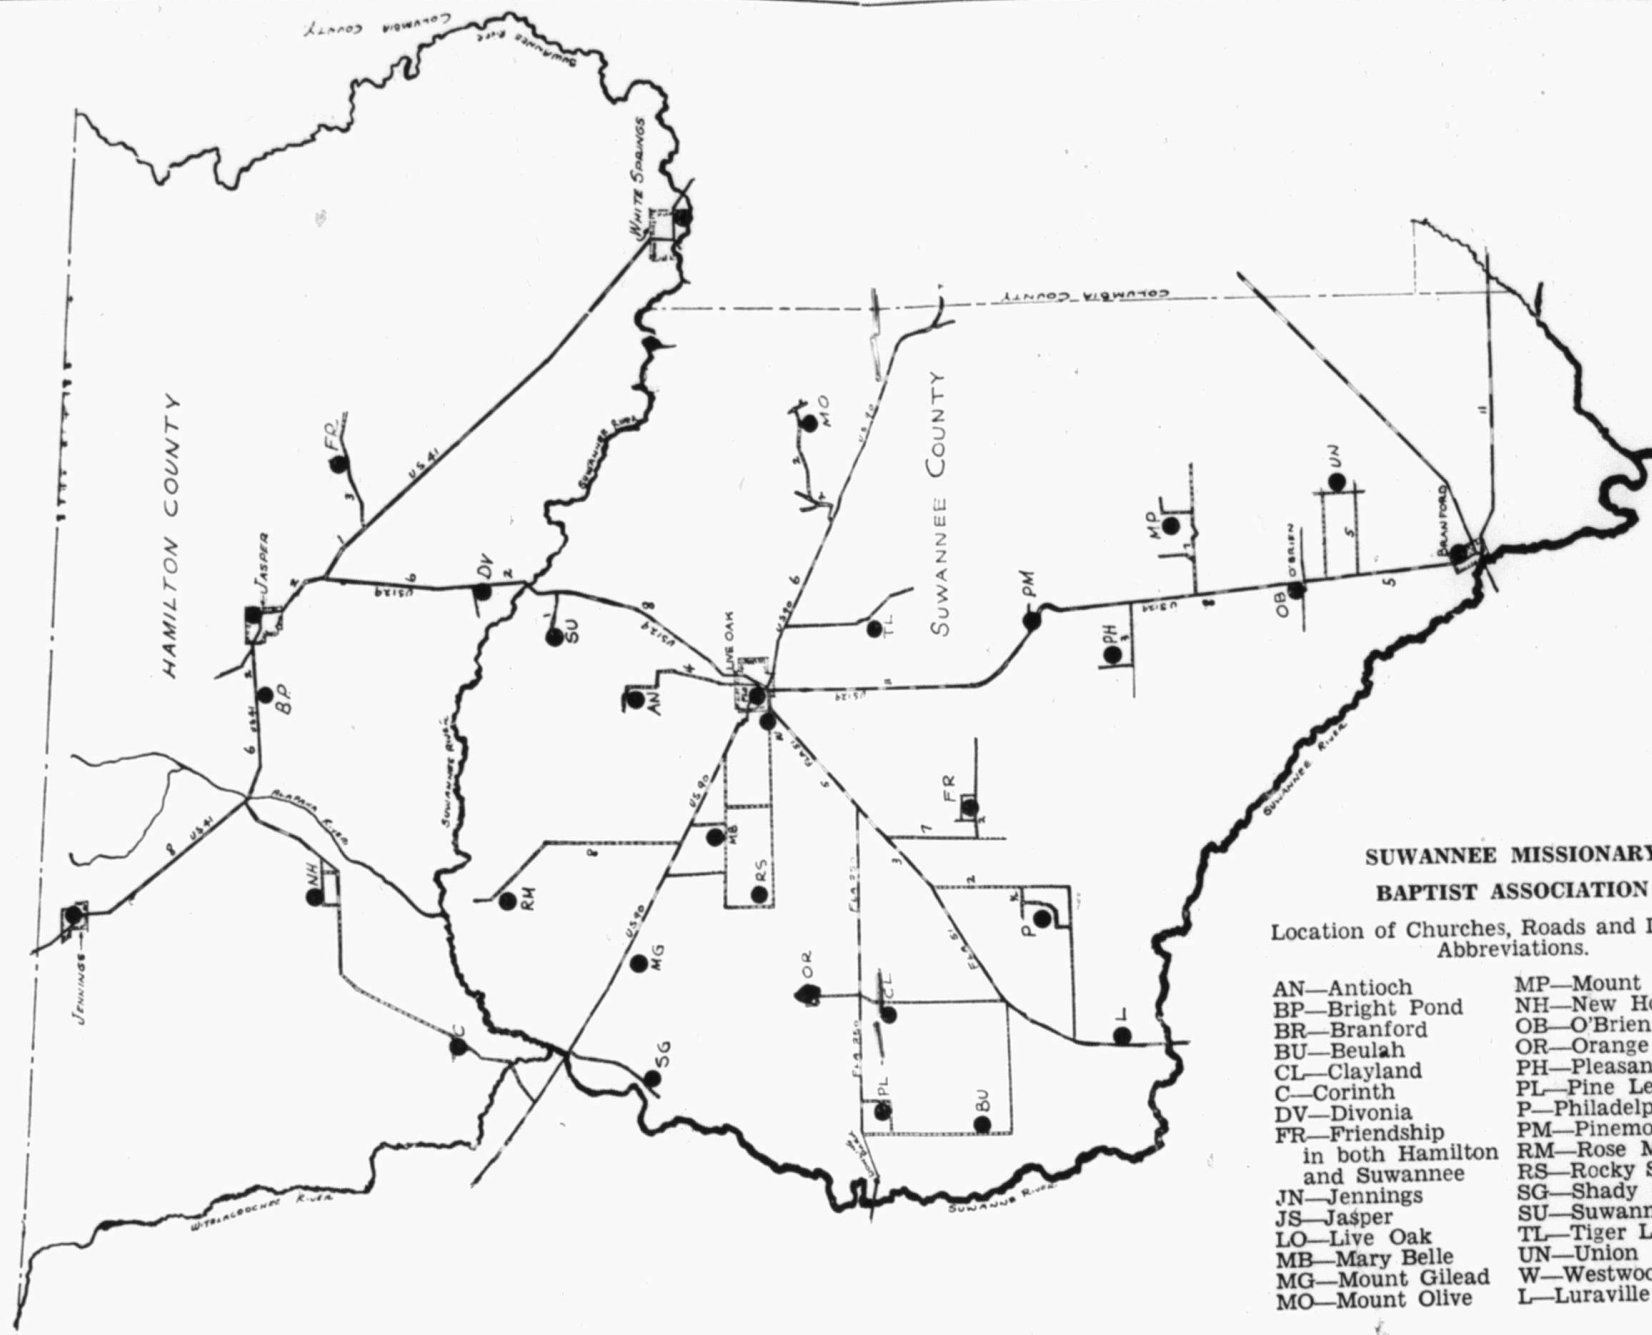

During the past year possibly the most significant improvement has been the publication of Southern Baptist, Music Magazine.

#### The Church Musician

This is a monthly publication, including sixteen pages of music adapted for the average church choir to use in their church programs, and sixteen pages of articles concerning music work among Southern Baptist. Several articles have appeared concerning music in the State of Florida. Much of the progress made by the state, and Southwide organizations of music has been due to the fine work done in the local churches, and the associations.

An effort is being made to set up in each association a director and a music committee. Of course, each association must do this themselves. It is hoped that the Suwannee Baptist Association will elect a music director, and set up a music committee as outlined in the tract, "A Recommended Music Program for an Association." It is hoped also that this director and committee will promote plans for an association-wide school of music or several simultaneous schools in strategic points within the Association.

The state music director is anxious to assist in this work also. Music in the churches of the Association has progressed nicely during the past year with more interest shown than ever before. We want to encourage our young people more

in the musical programs of our churches.

The committee recommends that the Suwannee Baptist Association nominate and elect a director and music committee to promote and sponsor the musical programs of the Association during the coming year.

Respectfully submitted,  
J. M. Robinson

20. Report of American Bible Society presented and spoken to by Rev. Roy Perry and adopted.

#### AMERICAN BIBLE SOCIETY

Missionary advance must continue!—The American Bible Society, working with Southern Baptist mission agencies in their Advance Program for worldwide missions, joins in reporting that advance has begun.

The Society also joins in urging that this missionary advance must continue and increase. Experience on mission fields around the world shows that in every missionary advance, the Bible goes toward first.

The Bible is a "Must" in Mission Work.

If the people of the world are to know Christ, they must have the Bible. It is the one primary source of knowledge of Him. The Bible is the missionary's chief tool. The Bible itself is a missionary. It can go where the human missionary

cannot go, stay when he must leave, and keep on working in a man's heart.

Every man must have the Bible in his own native tongue if the Word of God is to speak to his heart. Someone must translate it into his language, publish it and send it to him, wherever he may live.

In most countries of the world, the income of the people is so low that they cannot afford even the bare cost of the printed Scriptures. Someone must help those who can pay only a part of the cost and the many who cannot pay at all.

The American Bible Society, a missionary non-profit organization, supported by gifts, serves as that "Someone". It aids in Bible translation, publishes the Scriptures without note or comment, and distributes them, without profit and usually below cost, for use in mission work around the world.

#### During 1951 the American Bible Society

—distributed through its own work, at home and abroad, more than 11 million volumes of Scriptures. Another 3 million volumes were produced through gifts of materials and money to Bible Societies of other countries, especially Germany and Japan, bringing the grand total to more than 14 million volumes for the year;

—supplied Testaments in 9 different languages for United Nations forces in Korea;

—started printing 2 million service Testaments for our own expanding armed forces;

—in Japan, distributed 3 million volumes, which was the goal for 1950, making the total distribution in Japan since World War II, more than 6 million volumes. May we urge that each church make an offering to this worthy cause.

21. Report on cooperative program and missions presented by Rev. Simmons spoken to by Dr. John McGuire and adopted.

#### ANNUAL REPORT ON THE COOPERATIVE PROGRAM

The 75 Million Campaign was used of God to awaken Southern Baptist to our privileges, responsibilities, opportunities, possibilities as stewards of the Lord Jesus Christ. It revealed to us something of what we could do by intelligently, systematically working together.

In May 1925 the Cooperative Program came into being as our plan and program to work together and finance all of our boards, Institutions, Agencies, Educational, Benevolent, and missionary work in several States, in the bounds of our Southern Convention territory and in any and all parts of the world out side of our local territory.

Men and Women that are elected as leaders in our local Churches and those connected with South wide agencies, have learned to sit down, counsel together, work out their budgets, come to agreement, and get up and walk together in a worldwide program that endeavors to provide for any and all parts of our work.

Our Churches have learned to more adequately finance all of the Kingdom of God as promoted by Southern Baptist by giving tithes and offerings every Sunday through the Cooperative Program.

The Cooperative Program period has been the golden age as far as our work is concerned. We have provided for our established work and launched out into new fields. We have accomplished as much during the past 25 years as we did the previous 75 years. The Cooperative Program is the best method we have yet found to work together.

We urge each church to enlist each member to contribute the tithe through the church budget and that the Cooperative Program be a worthy part of the church budget.

Respectfully submitted,  
S. E. Simmons

Adjourn until 10:00 A. M. Wednesday to meet with Bright Pond Baptist Church.

#### Second Day, Wednesday October 10, 1951 10:00 A. M.

22. The Moderator, Rev. Martin, called the meeting to order after singing hymn "Never Alone." Rev. T. E. Gaskins led the Devotional, reading scripture from Psalm and led in Prayer. Welcome address was made by Rev. W. H. Gray, pastor of the Bright Pond Church.

23. Report on Associational Training Union work given by Rev. Hugh Ryals in the absence of Miss Gertrude Clark, acting director.

## TRAINING UNION REPORT

Our Associational organization is comprised of the training unions of the Suwannee Baptist Association.

It is a well known fact that our training union work has grown by leaps and bounds over the years. That it has done a remarkable work in the field of training is undeniable.

I do feel that our own association received a definite set-back in the losing of Rev. Hugh Ryals, who was elected to the position of director for the year 1950-51. Unfortunately, Bro. Ryals was unable to serve his full term.

Our training unions in the entire association were definitely blessed during his short administration.

We can recognize the efforts he put forth in our new union at McAlpin of which Mr. R. B. Goff is Director.

Despite our loss, we managed to hold all regularly scheduled meetings in the form of officer's and leaders councils, executive committee meetings and mass meetings.

We had an exceptionally fine evening of entertainment and fellowship at our most recent mass meeting held with the Luraville church, September 24.

We are indeed fortunate to have Rev. S. E. Simmons of our Branford church to serve as director for the year 1951-52.

As we enter the new year we pray that God's blessings will be upon each officer of our training unions and churches as well, that great things may be accomplished for the Glory of God.

Respectfully submitted,  
Miss Gertrude Clark  
Acting Director

24. Report on Sunday School and Vacation Bible School work given by Rev. B. A. Rakestraw. Report adopted.

SUNDAY SCHOOL REPORT  
SUWANNEE MISSIONARY BAPTIST ASSOCIATION

The Sunday School for this year have an enrollment of 3523 which is a decrease of 93 of last year.

One church of our association still does not have a Sunday School, how wonderful it would be if our people could only realize what it means to have the word taught, as well as preached.

We have five standard Sunday Schools reported this year.

Only five Vacation Bible Schools reported in our association this year. Churches reporting as follows: Live Oak, Jasper, Branford, Bright Pond, and Westwood.

It is my earnest prayer that the Sunday School and Vacation Bible School, would be shown an increased interest among and from our church people of the Suwannee Association during the coming year.

Respectfully submitted,  
Bartow A. Rakestraw

25. Report on Associational W. M. U. work given by Mrs. R. S. Donahoo, president. Report adopted.

## REPORT OF WOMAN'S MISSIONARY UNION

We have at present sixteen Missionary Societies with a membership of 475. An Associational W. M. U. Method's Clinic was held in Luraville October 1950, with a large number present.

In February 1951 our quarterly meeting was held at Philadelphia Church with Miss Sliger, Missionary, as guest speaker.

Our next quarterly meeting was held at New Hope on May 4, 1951. An inspirational program on "Conserving and Continuing the Crusade" was rendered by members from the different societies.

In July our last quarterly meeting was held in the Live Oak church with Miss Kay Bigham, missionary to China, as guest speaker. Our young people had charge of the program directed by Mrs. Frank Jenkins, Young People's Leader. All meetings were well attended.

We have had two new societies organized in 1951.

Next meeting will meet with Mt. Pisgah Baptist Church on October 26.

Respectfully submitted,  
Mrs. R. S. Donahoo  
Mrs. T. J. Fletcher, Sr.

26. Report on Associational Brotherhood work given by Mr. Palmer Smith. Report adopted.

## REPORT OF BROTHERHOOD

The Associational Brotherhood has held four meetings during the past year. The reports indicate that we now have nine (9) Brotherhoods organized in our association.

Promoting the whole program of the Church and the denomination is the purpose of the local brotherhood. Special emphasis is given to Church Publicity, the cooperative program, and the Baptist Foundation.

It is hoped that each church in the association will have a brotherhood active in the affairs of the work of Christ.

Respectfully submitted,  
Palmer Smith  
B. M. Smith

27. Report on Associational Missions made by Rev. Hugh Ryals. Report adopted.

The Associational Missions Committee after much prayer and study report the need for Mission Revivals, Cottage Prayer Services and new Mission Sunday Schools in the Suwannee Association. We urge that the churches in the Suwannee Association, under the leadership and guidance of this committee make such surveys of their own fields, in order to supply these needs.

We recommend that one of the churches establish a Mission Sunday School in the Sherwood Forest sub-division, lying between the Branford and the Lake City roads.

Respectfully submitted,  
Hugh L. Ryals, Chairman  
W. H. Gray

31. Ten Associational Pastors were present, Truett Comer was recognized as licensed Preacher present.

32. Report on Ministerial Relief and Annuities was given by Rev. G. A. Durham. Report adopted.

REPORT OF THE RELIEF AND ANNUITY BOARD OF THE  
SOUTHERN BAPTIST CONVENTION 1951

The reports, reviewing the work of the Relief and Annuity Board, presented at the annual meeting of the Board in Dallas, on March 14th, showed 1950 to be a year of continued progress and enlarged service to our Southern Baptist constituency.

Total income for 1950 was \$4,824,268.72, with total benefits paid, amounting to \$1,413,885.82. Total assets of the Board as of December 31, 1950 were \$20,518,200.12.

Even with utmost care, in seeking to keep expenditures to a minimum, the relief department, for the third consecutive year, spent more for relief than was received. Only when conditions seemed to demand it, were increases granted. We had 1,443 on our relief roll on December 31, 1950, the largest number in all the history of the department. Several things have contributed to the ever increasing load which the relief department is called upon to bear: first, the sharp increase in the cost of living has forced many of those in retirement, who had thought it would never be necessary to ask for assistance, to appeal for help from the department, that they might have the necessities of life. Second, many of those on

the relief roll have found the small amounts received inadequate to provide food, and that which is always needed, and in increasing quantities in old age, medicine. A third, and more important factor, is the large number of pastors who failed to join the Ministers Retirement Plan and find themselves, at retirement, with no source of income, and because of this neglect, are forced to request that their names be placed on the relief roll.

More was spent for relief in ten states than was received. So serious has this problem become that the relief committee has given instructions that no increases be granted except in cases of dire emergency. The department spent \$14,397.11 more than Southern Baptists gave for relief.

Too many of our pastors have neglected to join the Ministers Retirement Plan and the Widows Supplemental Annuity Plan and these pastors or their widows may suffer from this negligence. That large group of pastors who joined the Ministers Retirement Plan but are inactive because of non-payment of dues, should take care lest they come to retirement age with the annuity they should receive greatly reduced.

The report of the relief committee, at the annual meeting of the Board, showed grave concern over the large number of pastors who are retiring and requesting that their names be placed on the relief roll who have never been members of the Ministers Retirement Plan.

The relief committee feels that pastors now in active service who refuse or neglect to join the Ministers Retirement Plan, will have no right to expect assistance from this department when they retire. The following statistical table shows that many pastors are without the protection which the Ministers Retirement Plan and the Widows Supplemental Annuity Plan offer.

Are you one of those who will, because of neglect, have no regular income when you retire? If so, join the Ministers Retirement Plan.

In case of your death, would your wife need financial assistance? If so, join the Widows Supplemental Annuity Plan.

#### Ministers Retirement Plan

Ministers in Florida—1,093. Certificates Issued in M.R.P.—682. Active Paying Members—291. Inactive Members Non-payment of Dues—177.

#### Widows Supplemental Annuity Plan

Ministers in Florida—1,093. Certificates Issued in W.S.A.P.—112. Active Paying Members—90. Delinquent—22.

The table shows that several hundred Florida pastors should join the Ministers Retirement Plan and Widows Supplemental Annuity Plan without delay.

Exclusive of relief funds, the Relief and Annuity Board sent checks to 114 beneficiaries of the several plans in the state of Florida for a total amount of \$59,140.55.

Respectfully submitted,  
George A. Durham

### 34. Report on Evangelism given by Rev. W. H. Gray. Report adopted.

#### REPORT ON EVANGELISM

We believe our evangelistic efforts put forth last year in the simultaneous campaign was a great success. With thirty of our thirty one churches cooperating, with—97 coming for Baptism, 26 by letter, 3 by statement, Total of 126 for the Suwannee Association.

For all the 676 churches in the State we had for Baptism 6,489, by letter 2,688, by statement 231, making a total of 9,408. Three Associations did not report. Our goal for 1951 was 26,452 Baptisms, or one for each ten, resident church members.

Evangelist speaking for 1951 has been a fruitful year, even though three Associations did not report their results of the crusade. Baptisms for the State has not been compiled as yet, a fourth of our goal of 26,452 Baptisms was reached through the evangelistic efforts in March and April of this year.

The State Convention suggested that we have two meetings each year and that one of them be a simultaneous meeting but that each Association set the time for their crusade. Our executive committee recommends that the meeting be held in August 10-24. We your Committee also recommends that each and every church make it possible for the Pastor to attend the State wide Evangelistic Conference January 15th. thru the 17th. at the First Baptist Church of Jacksonville, Florida (and insist on him going). We further recommend that each Church have a council on Evangelism, composed of the Pastor and heads of each Church agency to plan a program of Evangelism a year in advance.

Respectfully Submitted by your Committee.

Yours Very Truly,  
Rev. W. H. Gray, Chairman  
W. D. Brown

### 35. Report on Radio given by Rev. O. B. Hayman. Motion was made by Rev. Gray, and carried, to take collection toward radio program. Hymn "Jesus Saves" was sung while collection was being taken.

#### RADIO REPORT

Radio is perhaps the most important means of communication today.

Radio offers the greatest single missionary medium outside the local Church that we have today in reaching the lost men and women.

The Radio program was first sponsored by Brother Sam F. Lowe in 1941 and was put on 17 stations. In June 1951 more than 250 radio stations were broadcasting the Baptist Hour, which is heard by some four million people.

We recommend that the Association continue to help publicize and promote the Baptist Hour the year round.

We are grateful to God for every opportunity to publish the good news of Salvation.

Respectfully submitted,  
Rev. O. B. Hayman  
Mr. Ross Boatright
